BARISTA TOOLS CATALOGUE 2024

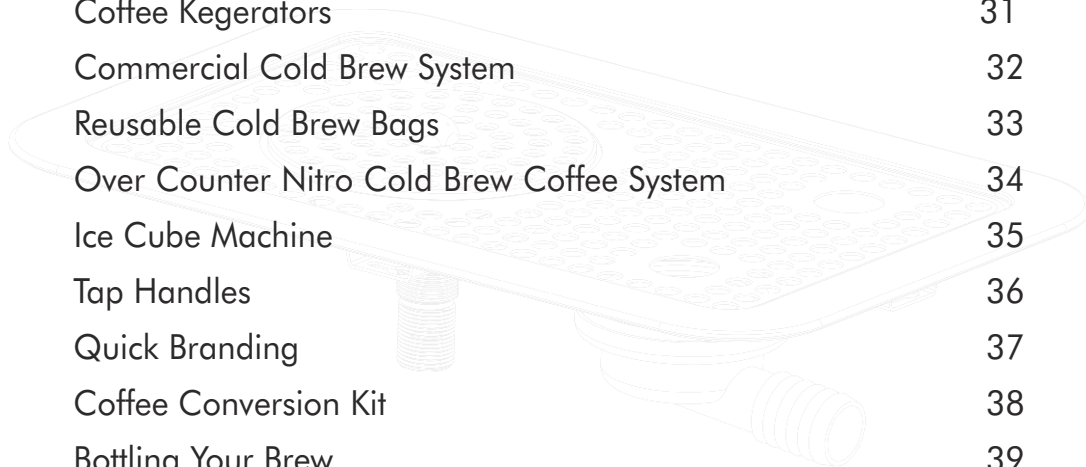

With Price effective from January, 2023

A barista with dark, wavy hair and a goatee, wearing a black t-shirt, is focused on pouring coffee from a stainless steel pitcher into a black paper cup. He has a tattoo of a bird on his left forearm and a watch on his left wrist. The background features a checkered tile wall, a coffee grinder, and a stack of white cups. A semi-transparent green box with white text is in the upper right corner.

Commercial Cold Brew System

Model: C4611

This Kit contains

Cold Brew Container | Mash paddle | Stainless Steel Cold Brew Lifter
4 Paper Filters/ Bags | Covering Lid

Brew Up To 2 Kg of Your Favorite Coffee To Yield At Least 8 Liters of Extract
Container Capacity:- 19 Liters

Cold brew is simply coffee that has been brewed with cold rather than hot water and usually involves a long steeping process anywhere between 12-24 hours. All one needs to do is steep coarsely ground coffee in water overnight and enjoy it.
